COPS 2015 – 2016 YEAR

Welcome to the Central Okanagan Photography Society (COPS). We are excited that you have decided to join as a new member or to renew your membership this year. The goal for this year is that we all *Share, Learn and Grow* in our passion for photography.

Our members are the Success and Progress of our club. We encourage you to become active and involved. Do not hesitate to bring forward any thoughts, ideas and feedback you have to the Executive, either at a regular meeting or by emailing president@copsphotography.org
