Important Information

1. Dress for the weather. This is an outdoor event.
2. Camera and remote control
3. Tripod or good Monopod may work
4. Wide angle lens
5. Hiking style head lamp (it's dark everywhere!)
6. Small flashlight may also work

Please let Ron Mullins know if you plan on attending. He doesn't want to loose anyone in the dark!

There are also daytime ballon events that you may wish to visit on your own. They usually provide great photo ops. Check with the pilots and crew that are at the Balloon Glow for times and locations. Weather permitting they will fly on Friday the 6th, Saturday the 7th and Sunday the 8th, usually in the early morning.
